

Another Active Autumn

The Lady or the Tiger?

◀ That was the dilemma for both Princess Barbara and her lover Sanjay in one of the three plays within *The Apple Tree* performed by the Upper School drama students.

Human Foosball

▶ The Upper School courtyard witnessed wild shots and loud cheers during this fall's Spirit Week. Remember to

keep all of those arms locked together!

Grandparents' Day Discoveries

▲ SGS students shared classroom time with their grandparents on September 24. In the Middle School, they talked about personal memories of historical events like Pearl Harbor and WW II.

Down by the Riverside

▼ Thinning trees in Riverside State Park was just one of the community service projects Middle School students and staff completed on a beautiful day in early October.

Dancing with the Dragon

◀ Students and staff created a waving "tail" behind the Dragon in this fall's Dragon Dance. The bright red banners filled Graduation Lawn and provided a vibrant and energetic opening to the 2009-10 school year.
