Re: Waikiki Road Bridge Deck Rehabilitation No. 2606. CRP 3264
Subject: Notification of project start and delays to traffic in the area.

To whom it may concern,

This letter is to inform you that Razz Construction, Inc. will be beginning work for Spokane County at the above-mentioned bridge starting May 9th, 2022.

Work will be from the hours of 7:00am-5:00pm. There will be two implemented weekend road closures with a detour. The first bridge closure will take place from May 21st, 2022, to the morning of May 23rd, 2022. The second closure is scheduled to take place from June 4th, 2022, to the morning of June 6th, 2022. If anything changes with the dates of these closures, you will receive another notice of new closure dates. During the rest of the project, there will be a lane closure monitored by flaggers and a stop/go signal. Project duration is expected to be in place until the end of June 2022. Please plan for any unforeseen traffic delays in the area.

We apologize for any inconvenience this may cause.

On site supervisor will be Ronnie Corne, he may be reached at (360) 770-1794 at any time during the construction project. If you have any questions, or need any further information regarding the project, feel free to contact me at any time.

Sincerely,

Janessa Murphy

Janessa Murphy – Assistant Project Manager
